An Exciting Neighbourhood

Live a stylish lifestyle with all of Aberdeen's cosmopolitan attractions on your doorstep.

A Place to Be

Moving home can be exciting, a fresh start, a new beginning. It usually starts with a challenge. We've run out of space, we want to own our first home, we want to get onto the property ladder before it's too late, we can afford something a bit bigger, I need space of my own. The list is endless and personal to each of us.

We've been a family company for generations and we know just what makes a comfortable home. Great space to be together, space to be apart. Great green spaces to go for a walk, cosmopolitan cafes nearby, gyms, restaurants, galleries and shops all within walking distance. Interesting historical places to visit and plenty of beautiful outdoor spaces to give you a sense of well-being you feel when everything is just right.

It's all about comfort. A gleaming kitchen with plenty of worktops, premium new appliances and space for a proper kitchen table. Plenty of storage to hide away the boots, coats, bags, Hoover, a beautiful bathroom – practical but contemporary with a bit of luxury, bedrooms with space and beautiful oak finish storage, already built in.

All the little touches that say – this is a quality home built with craftsmanship by people who really care.

It's warm when you come home each evening to put your feet up, it's bright and airy when you get up in the morning to make coffee, the water is hot when you need it and the energy bills are low. Your car is safe and secure in a designated space, so there's no need to hunt for a parking space on the street.

You don't have to think about your home because everything is just right. Life is for living. Weekends are for friends, sports, days out, nights in. Your home – the place to snuggle up, be fulfilled, hear laughter, plan the future, feel blessed, know that this is where you belong.
