THE PLACE WHERE I

Belong

Moving home can be exciting, a fresh start, a new beginning. It usually starts with a challenge. We've run out of space, our family is growing, we want to own our first home, we want to get on to the property ladder before it's too late, we can afford something a bit bigger, Mum is coming to stay, the kids need space of their own, I need space of my own. The list is endless and personal to each of us.

We've been building beautiful houses for over 40 years, so we know just what makes families happy at home. Great space to be together, space to be apart. Great surroundings to take the dog for a walk, for the kids to play outside safely, plenty of fresh air, mature trees, a green place, a place to be healthy and happy – that sense of wellbeing you feel when everything is just right.

Inside it's all about feeling special. The thoughtfully designed kitchen has plenty of worktop space and comes complete with premium appliances. The dining area has space for a full size dining table, and elsewhere there is plenty of storage to hide away the family clutter. Discover a luxurious family bathroom and spacious bedrooms, some with beautiful built in oak finished wardrobes.

A home that's warm in the evening when you put your feet up, it's bright and airy when you get up in the morning to make coffee, the water is hot when you need it and the energy bills are low. The French doors open to the garden and lure the kids out so inside you can relax for a bit, and a garden to enjoy when the weather is good.

Life is for living. Weekends are for friends, sports, days out, nights in. Your home – the place to snuggle up, be fulfilled, hear laughter, plan the future, feel blessed, know that this is where you belong.

STEEPED IN HISTORY AND TRADITION

At Bancon Homes we pride ourselves on the high quality specification and care we put into our homes. There is no need for you to think about added extras when you buy a Bancon Home, we've thought about them for you.

The kitchen is the heart of your home. It's the place where you spend the most time cooking, chatting, kids at the table doing their homework, friends over for a casual supper. The hub of your home, it's where family and friends gather and there's plenty of space for everyone. There's plenty of space too for preparing and cooking meals from a quick midweek supper to a big family get-together Sunday lunch, with streamlined work surfaces, great storage and high-quality Bosch appliances all included.

Your German designer kitchen has been perfectly designed to suit your lifestyle, with soft close drawers and stylish finishes. With a range of styles to choose from you can make it exactly the way you've dreamed of, choosing the colour and finish that suits you best (subject to date of reservation).

Your designer kitchen comes complete with a multifunction single oven and induction hob – faster than gas and heat when you need it, easy to clean and more energy efficient and more importantly safe for

the kids as the hob cools down quickly. The built in Bosch dishwasher in most of our homes ensures the chore of washing up is now a pleasure.

It's the little things that matter like plenty of storage for bags, coats, suitcases, toys and the things you want to hold on to, and USB points so you don't have to find the plug each time you need to recharge your phone.

In some of your bedrooms you'll find oak finished wardrobes, ready for you to fill. In the bathrooms and en-suites, you'll find the very best pristine white fittings with contemporary taps, large showers and your choice of Porcelanosa tiling (subject to date of reservation).

As many of us now work from home communication is even more key and we include Superfast broadband in all our homes, making speed and connectivity easy when you choose your provider.

We pride ourselves on the level of individual customer care we provide, and our passionate team is committed to delivering an end-to-end personalised service throughout the entire buying process. It really matters to us that each and every customer is happy with their home. We know how important it is. We were therefore delighted when we secured a prestigious Gold Award from independent research company In House Research Ltd for the sixth consecutive year.

Bancon Homes is a Registered Developer with the New Homes Quality Board.
