THE PLACE WHERE I

Belong

Moving home is more than a fresh start - it's a decision shaped by real-life moments. Maybe you're running out of space, or simply no longer need as much. Perhaps your family is growing, you're stepping onto the property ladder, or looking for a home that offers more flexibility - a home office, a place for family to stay, or rooms where the kids can grow and thrive.

Whatever your reason, it's personal - and we understand that. With generations of experience, we know how to build homes that work for modern life. Homes with space to be together, and space to enjoy some peace and quiet. Surrounded by greenery, safe streets, and fresh air - the kind of place where children can play outside, where dogs can roam, and where you can take a breath and feel at ease.

Inside, it's all about comfort and considered design. A kitchen that's ready for everyday life and special occasions alike, with generous worktops, high-specification appliances, and space for dining with family and friends. A garden that invites you out when the sun shines. Built-in storage where you need it, and bathrooms that balance practicality with a little everyday luxury.

These are homes where quality shows in every detail. Warm, bright, energy-efficient, and easy to live in. With French doors that open to let the day in, and close behind you when it's time to unwind.

It just works. So you can get on with the things that matter: time with friends, weekends well spent, laughter around the table, and the quiet moments that make you feel truly at home.

Here, you will discover a beautiful place to live in one of Aberdeenshire's most sought after towns – and enjoy the freedom of a stunning new-build home in this inspiring rural landscape.

LIVE YOUR LIFE

The Deeside region is renowned for its unique style of rural living and unrivalled quality of life and, in recent years, has been ranked No.1 in The Sunday Times 'Best Places to Live: Scotland – Ternan Grove is the perfect location for you and your family to live life.

GET ACTIVE

Deeside is an area rich in natural beauty. Positioned on the Hill of Banchory, Ternan Grove is close to beautiful woodland with Scolty Hill and the River Dee nearby. The spectacular Cairngorms National Park is just 17 miles away and is home to 55 Munros, nine horse riding centres and three ski resorts, offering year-round adventure for the entire family. Banchory boasts fishing on the Dee, mountain biking and two golf courses, one in the town itself, and one at nearby Inchmarlo. And if the weather really isn't playing ball, there's the Banchory Sports Village, featuring a 25m swimming pool within a short walking distance.

CULTURAL SPOTS TO KEEP EVERYONE CURIOUS

One of Scotland's most creative places, Banchory is a hive of cultural activity. The Barn is the town's award-winning multi-arts centre, offering music, theatre, film, dance, comedy, visual arts and much more. There's also the annual Banchory Show and the family-focussed Banchory Bonfire and Fireworks Display – something for everyone!

For those interested in Aberdeenshire's rich heritage, there is Milton of Crathes Deeside Railway and several National Trust properties on Banchory's doorstep, including Crathes Castle and Drum Castle. Both castles have attractive grounds, walking trails and woodlands.

A WELCOMING COMMUNITY, A PREMIUM LOCATION

Banchory is a thriving community with everything you need on your doorstep including a busy high street, packed with independent businesses, brasseries and boutiques. With a bookshop, butcher, outdoor shop, florist, garden centre, gym and beauty salon, there's everything you could need. There's a monthly farmer's market, or if you'd prefer to grow your own produce, there are a large number of allotments available at Woodend Barn.

Deeside is famous for its local produce, so if you fancy dining out, then from bistro to café to luxury hotel, you'll always find somewhere special to go for every occasion.

If you are simply looking for a convenient food shop, there's a Tesco, Morrisons and Co-op. Local services include a medical practice, opticians, dental practice, banks and a post office.

GETTING AROUND

Aberdeen city centre is an easy commute, just 18 miles away or a 30 minute drive, as is Aberdeen airport and there is easy access to the AWPR. There is a good public bus service that connects the town to Aberdeen's central transport and shopping hub, Union Square. If you're feeling adventurous, there's the stunning long-distance cycle and walking route, the Deeside Way which connects Aberdeen to Ballater.

EDUCATION

Banchory prides itself on its award-winning schools. Banchory Academy regularly features highly in the Scottish secondary school league tables. Hill of Banchory Primary School is one of two primary schools in the town and also incorporates a nursery, support for learning room, sensory therapy room, library, and a large sports hall.
