THE PLACE WHERE I

Belong

Moving home can be exciting, a fresh start, a new beginning. It usually starts with a challenge. We've run out of space, our family is growing, we want to own our first home, we want to get onto the property ladder before it's too late, we can afford something a bit bigger, Mum is coming to stay, the kids need space of their own, I need space of my own. The list is endless and personal to each of us.

We've been a luxury housebuilder for over 40 years, so we know just what makes families happy at home. Great space to be together, space to be apart. Great surroundings to take the dog for a walk, for the kids to play outside safely, plenty of fresh air, mature trees, a green place, a place to be healthy and happy - that sense of well-being you feel when everything is just right.

Inside it's all about feeling special. The thoughtfully designed kitchen has plenty of worktop space and comes complete with premium appliances. The dining area has space for a full size dining table, and elsewhere there is plenty of storage to hide away the family clutter. Discover a luxurious family bathroom and spacious bedrooms with beautiful built-in oak finished wardrobes.

A home that's warm in the evening when you put your feet up, it's bright and airy when you get up in the morning to make coffee, the water is hot when you need it and the energy bills are low. The French doors open to the garden and lure the kids out so inside you can relax for a bit, and a garden to enjoy when the weather is good.

All the little touches that say - this is a luxury home built with craftsmanship by people who really care.

Once you've moved in you don't have to think about your home anymore because everything is just right. Life is for living. Weekends are for friends, sports, days out, nights in. Your home - the place to snuggle up, be fulfilled, hear laughter, plan the future, feel blessed, know that this is where you belong.

STRATHAVEN, A BEAUTIFUL MARKET TOWN
STEEPED IN HISTORY AND TRADITION

At Bancon Homes we pride ourselves on the quality of our workmanship and the care we put into our homes. There is no need for you to think about added extras when you buy a Bancon Home, we've thought about them for you.

The kitchen is the heart of your home, the place you spend the most time cooking, chatting, kids at the table doing their homework, friends over for a casual supper. The kitchen is the hub of the home, family and friends gather and there's plenty of space for everyone. With plenty of space for preparing and cooking meals from a quick mid-week supper to a big family get-together Sunday lunch, with streamlined work surfaces, great storage and high-quality Siemens appliances all included.

Your German designed kitchen comes from Ayr based Creative Designs and our designers worked with them to create the perfect kitchen that suits your lifestyle, with soft close drawers and stylish finishes. With a range of styles to choose from you can make it exactly the way you've dreamed of, choosing the colour and finish that suits you best.

Your designer kitchen comes complete with a double oven and induction hob - faster than gas and heat when you need it, easy to clean and more energy efficient and more importantly safe for the

kids as the hob cools down quickly. The built in Siemens dishwasher ensures the chore of washing up is now a pleasure.

Brushed chrome sockets and switches on the ground floor provide a contemporary air and the USB points ensure the hunt for a plug each time you need to recharge your phone is a thing of the past. We've planned in excellent storage too, giving you plenty of places to store bags, coats, suitcases, toys and all the things we all hold on to!

Each bedroom has oak finished wardrobes, ready for you to fill. There's no added extra cost. In the bathrooms and en-suites, you'll find the very best pristine white sanitary ware with contemporary taps, large showers and your choice of Porcelanosa tiling.

As many of us now work from home communication is even more key and we include Superfast broadband in all our homes, making speed and connectivity easy when you choose your provider.

We pride ourselves on the level of individual customer care we provide, and our passionate team is committed to delivering an end-to-end personalised service throughout the entire buying process. It really matters to us that each and every customer is happy with their home. We know how important it is. We were therefore delighted when we recently secured a prestigious Gold Award from independent research company In House Research Ltd for the third consecutive year and an Outstanding Award for the second year. This recognises our outstanding level of customer service and we were one of only five UK wide housebuilders to have received this award.
